Figure 3.1.
Country participation in international organizations by type of organization
Edition 53, 2016/2017 (data collected in 2015)

This table indicates the number of organizations of which a country or territory is a member, whether directly or through the presence of members in that country. The countries are grouped by continental region. See 1.2. “Geographical names” for further information on country names and continental groupings. No distinction is made between different categories of membership (e.g. full, associate). A country is counted only once for each organization.

For each country or territory, the first line indicates the number of intergovernmental organizations (IGOs) with members in that country or territory; the second line indicates the number of international non-governmental organizations (NGOs) with members in that country or territory; the third line indicates the total number of organizations, both intergovernmental and non-governmental, with members in that country or territory.

The organizations are totalled by type, indicated by the letter code at the head of each column. See 1.3. “Types of organization” for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F
Cluster II (Dependent organizations): Types E K R
Cluster III (Organizational substitutes): Types S T
Cluster IV (National organizations): Types G N
Cluster V (Dead, inactive and unconfirmed bodies): Types H J U
