

Figure 3.22.**Cities in which intergovernmental organization headquarters are located, ranked by continent***Edition 52, 2015/2016 (data collected in 2014)*

This table lists cities, within continental groupings, in descending order of the number of intergovernmental organizations of Types A to D in this edition of the Yearbook series with a principal secretariat located in that city. Only cities with at least 2 principal secretariats of intergovernmental organizations classified as Types A to D are included here. See 1.2. "Geographical names" for further information on country names and continental groupings.

Only principal secretariats are counted.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per city and per organization type, see Figure 3.17.
