

## Section 1: Table 9.1.4.(a) Current year Top countries for international association meetings in 2015: Type A by continental grouping

This table is extracted from Table 9.1.1. Please see the Introduction or the introductory notes to Table 9.1.1. for an explanation of the column headings "A" and "A+B" and "A+C".

In this table, the 9 or 10 countries, per continental grouping, with the most meetings of type A are included. Details of other countries can be found in Table 9.1.1. The total meetings of all countries, as listed in Table 9.1.1., is used to calculate the percentages.

Countries are listed by continental grouping then in descending order of the total number of meetings of type A.

**Caveat: It should be remembered that the number of meetings in the database for the current reporting year will, on average, increase by about 11% over the next year, and by about 35% over the following five years.**
